March 07, 2006.

P.C.

. In view of the policy framed by the Government of Maharashtra and approved by the Apex Court (as per the G.R. dated 5th December 1995), the Government of Maharashtra implemented the scheme for absorption of Muster Assistants in various Departments. The order passed by this Court on 13/9/1994 in Writ Petition No.4494 of 1993 also envisaged such a policy to be framed for regularisation of the services of the Muster Assistants. We have no doubt that the petitioners were covered by the G.R. dated 5/12/1995 in asmuchas they were in the employment on the cut off date.

. The Government has also taken steps pursuant to the said policy for absorption of the Muster Assistants and on the fact that none of the petitioners have subsequently come before this Court by filing any Civil Application raising a grievance

that pursuant to the said scheme any of them was not absorbed.

. With the passage of time and on account of the policy already implemented by the Government of Maharashtra, these petitions do not survive any further. The same are hereby disposed as infructuous. Rule discharged.

. We make it clear that if any of the petitioners has not been absorbed pursuant to the said policy, he/she may approach before the appropriate forum for redressal.
